## SUBJECT INDEX

Acute heterosexual inadequacy (II. in the female) .....	194
Aggravation of mental symptoms by excessive use of hypnotics and sedatives, the .....	121
Alcoholic mental disease in New York State, thirty years of .....	750
Alcoholic psychoses, personality factors in .....	338
Alcoholic psychoses, prepsychotic personality in .....	103
Alcoholic psychoses, therapeutic problems in the .....	347
Alcoholism, its frequency, etiology and treatment .....	403
Allergy, the rôle of, in neuropsychiatry .....	800
Alzheimer's disease .....	583
Amyotrophic lateral sclerosis .....	818
Analyses of the clinical pictures of recovered schizophrenics, types and	676
Anticonvulsants in epileptic psychoses, relative effects of phenobarbital and sodium bromide as .....	382
Approach to the problem of psychopathic personality, an .....	255
Benzedrine poisoning, the neuropathology of .....	264
Beta-erythroidin hydrochloride, the prevention of metrazol fractures by .....	477
Biochemical studies of schizophrenia: the chlorides in blood plasma and red blood cells .....	834
Breast, mother's, homesickness and the .....	701
Brief review of the research and teaching functions of the New York State Psychiatric Institute and Hospital for the ten-year period 1930-1940, a .....	360

	PAGE
Cerebral palsy, five years work with .....	185
Changes in a clinical syndrome of general paresis, psychosomatic aspects of .....	780
Chlorides in blood plasma and red blood cells, the .....	834
Clinical pictures of recovered schizophrenics, types and analyses of the .....	676
Clinical syndrome of general paresis, psychosomatic aspects of changes in a .....	780
Clinicopathologic study of a case of Pick's disease .....	17
Combined insulin and metrazol in the treatment of psychoses .....	81
Convulsion therapy in mental disorders, electric .....	719
Coronary sclerosis, psychosomatic pathology in .....	513
Criminotic individual, the psychiatric examination of the .....	289
Defective, mentally, psychopathic personality among the .....	231
Delusions, attitudes and associated character anomalies, misanthropic .....	556
"Deterioration", schizophrenic .....	140
Determining the prognosis in the involutional psychoses .....	301
Dilantin, some observations on treatment of institutional epileptics with .....	595
Dilantin therapy, the response of various types of epilepsy to .....	612
Dilantin: See also sodium diphenyl hydantoinate	
Effect of metrazol injections on the electroencephalogram, the .....	43
Effect of treatment of intercurrent somatic disease on psychogenic disorders, the .....	547
Effects of phenobarbital and sodium bromide as anticonvulsants in epileptic psychoses, relative .....	382
Electric convulsion therapy in mental disorders .....	719
Electroencephalogram, the effect of metrazol injections on the .....	43
Epilepsy, the response of various types of, to dilantin therapy .....	612
Epilepsy, the treatment of, with sodium diphenyl hydantoinate ....	603
Epileptic psychoses, relative effects of phenobarbital and sodium bromide as anticonvulsants in .....	382
Epileptics, institutional, some observations on treatment of, with dilantin .....	595
Ergotamine tartrate, the mode of action of, in psychotic patients ....	481
Examination of the criminotic individual, psychiatric, the .....	289
Excessive use of hypnotics and sedatives, the aggravation of mental symptoms by .....	121

	PAGE
Five years work with cerebral palsy .....	185
Folliculin menformon (theelin) treatment of involutional melancholia .....	157
Force required to crush vertebrae, the; its probable mechanical relation to the postmetrazol fracture .....	397
Fractures, metrazol, the prevention of, by beta-erythroidin hydrochloride .....	477
Freud—the man .....	3
Gas poisoning, illuminating, six cases of psychosis associated with....	61
General paresis, psychosomatic aspects of changes in a clinical syndrome of .....	780
Graying of hair, sudden and premature, the psychology of .....	786
Group psychotherapy: a study of its application .....	708
Habitus and personality in mental disease associated with organic disease .....	809
Hair, the psychology of sudden and premature graying of .....	786
Heterosexual inadequacy, acute (in the female) .....	194
Hoarding, ideas of neglect and, in the senile psychoses .....	285
Homesickness and the mother's breast .....	701
Homosexuals, psychotic male, testosterone in .....	319
Humor, the mechanisms of wit and, in normal and psychopathic states .....	731
Hypnotics and sedatives, the aggravation of mental symptoms by excessive use of .....	121
Hypochondriacal preoccupation, the psyche as an object of .....	490
Ideas of neglect and hoarding in the senile psychoses .....	285
Illuminating gas poisoning, six cases of psychosis associated with....	61
Implications of psychotic states, some .....	770
Inadequacy, acute heterosexual (in the female) .....	194
Individuals with total situs inversus, personalities of .....	518
Injections, metrazol, the effect of, on the electroencephalogram .....	43
Injection treatment of varicose veins in a State hospital, the .....	307
Injuries sustained during the course of metrazol shock therapy .....	128
Institutional epileptics, some observations on treatment of, with dilantin .....	595
Insulin and metrazol in the treatment of psychoses, combined .....	81

	PAGE
Insulin therapy, Rorschach interpretation of the personality structure of schizophrenics who benefit from .....	826
Insulin-treated schizophrenics, psychometric study of .....	466
Insulin treatment in schizophrenia, a simple experimental device for the prediction of outcome of .....	267
Intercurrent somatic disease, the effect of treatment of, on psychogenic disorders .....	547
Interview, the premarital .....	331
Involucional melancholia, folliculin menformon (theelin) treatment of .....	157
Involucional psychoses, the .....	412
Involucional psychoses, determining the prognosis in the .....	301
Lang, H. Beckett .....	657
Lateral sclerosis with psychosis, amyotrophic .....	818
Malaria therapy for the nonhospitalized case of neurosyphilis .....	135
Male homosexuals, psychotic, testosterone in .....	319
Masculine tendencies, significant factors in the readjustment of women patients with .....	504
Mechanisms of wit and humor in normal and psychopathic states, the .....	731
Melancholia, involucional, folliculin menformon (theelin) treatment of .....	157
Mental disease, alcoholic, thirty years of, in New York State .....	750
Mental disease associated with organic disease, habitus and personality in .....	809
Mentally defective, psychopathic personality among the .....	231
Mental reactions, transient organic, during shock therapy of the psychoses .....	457
Mental symptoms, the aggravation of, by excessive use of hypnotics and sedatives.....	121
Metrazol, combined insulin and, in the treatment of psychoses .....	81
Metrazol, report on 441 cases treated with .....	527
Metrazol fractures, the prevention of, by beta-erythroidin hydrochloride .....	477
Metrazol injections, the effect of, on the electroencephalogram .....	43
Metrazol shock therapy, injuries sustained during the course of .....	128
Metrazol therapy in the face of severe physical disorders .....	388
Misanthropic delusions, attitudes and associated character anomalies .....	556

	PAGE
Mode of action of ergotamine tartrate in psychotic patients, the.....	481
Mother's breast, homesickness and the .....	701
Myxedema, psychoses associated with .....	619
Neglect and hoarding in the senile psychoses, ideas of .....	285
Neuropathology of benzedrine poisoning, the .....	264
Neurosyphilis, malaria therapy for the nonhospitalized case of .....	135
Neurotic and psychotic symptoms, sexual manifestations in .....	9
New York State, third years of alcoholic mental disease in .....	750
New York State Psychiatric Institute and Hospital, a brief review of the research and teaching functions of the, for the ten-year period 1930-1940 .....	360
Nitrogen inhalation, preliminary report on the results of the treat- ment of schizophrenia by .....	496
Nonhospitalized case of neurosyphilis, malaria therapy for the.....	135
Observations on treatment of institutional epileptics with dilantin, some .....	595
Old age, psychoses of, therapeutic considerations in .....	274
Organic disease, habitus and personality in mental disease associated with .....	809
Organic mental reactions, transient, during shock therapy of the psy- choses .....	457
Outcome of insulin treatment in schizophrenia, a simple experimental device for the prediction of .....	267
Palsy, cerebral, five years work with .....	185
Paresis, general, psychosomatic aspects of changes in a clinical syn- drome of .....	780
Pathology, psychosomatic, in coronary sclerosis .....	513
Personalities of individuals with total situs inversus .....	518
Personality factors in alcoholic psychoses .....	338
Personality in mental disease associated with organic disease, habitus and .....	809
Personality structure of schizophrenics who benefit from insulin ther- apy, Rorschach interpretation of the .....	826
Phenobarbital and sodium bromide as anticonvulsants in epileptic psy- choses, relative effects of .....	382

	PAGE
Physical disorders, severe, metrazol therapy in the face of .....	388
Pick's disease, clinicopathologic study of a case of .....	17
Plasma, blood, and red blood cells, the chlorides in .....	834
Pneumococcic pneumonias, rationale of specific therapy for the .....	568
Poisoning, benzedrine, the neuropathology of .....	264
Poisoning, illuminating gas, six cases of psychosis associated with....	61
Postmetrazol fracture; the force required to crush vertebrae: its probable relation to the .....	397
Prediction of outcome of insulin treatment in schizophrenia, a simple experimental device for the .....	267
Preliminary report on the results of the treatment of schizophrenia by nitrogen inhalation .....	496
Premarital interview, the .....	331
Premature graying of hair, sudden and, the psychology of .....	786
Prepsychotic personality in alcoholic psychoses .....	103
Prevention of metrazol fractures by beta-erythroidin hydrochloride, the .....	477
Problem of psychopathic personality, an approach to the .....	255
Problem of treating psychopaths, the .....	248
Prognosis in the involutional psychoses, determining the .....	301
Psyche as an object of hypochondriacal preoccupation, the .....	490
Psychiatric examination of the criminotic individual, the .....	289
Psychiatric Institute and Hospital, New York State, a brief review of the research and teaching functions of the, for the ten-year period 1930-1940 .....	360
Psychogenic disorders, the effect of treatment of intercurrent somatic disease on .....	547
Psychology of sudden and premature graying of hair, the .....	786
Psychometric study of insulin-treated schizophrenics .....	466
Psychopathic personality, an approach to the problem of .....	255
Psychopathic personality among the mentally defective .....	231
Psychopathic states with psychotic reactions .....	49
Psychopaths, the problem of treating .....	248
Psychoses associated with myxedema .....	619
Psychoses of old age, therapeutic considerations in .....	274
Psychosis associated with illuminating gas poisoning, six cases of ....	61

	PAGE
Psychosomatic aspects of changes in a clinical syndrome of general paresis .....	780
Psychosomatic pathology in coronary sclerosis .....	513
Psychosomatic relationships in ulceromembranous stomatitis .....	632
Psychosomatics and somatopsychics .....	665
Psychotherapy, group .....	708
Psychotic male homosexuals, testosterone in .....	319
Psychotic reactions, psychopathic states with .....	49
Psychotic states, some implications of .....	770
 Rationale of specific therapy for the pneumococcic pneumonias .....	568
Recovered schizophrenics, types and analyses of the clinical pictures of .....	676
Red blood cells, the chlorides in blood plasma and .....	834
Relative effects of phenobarbital and sodium bromide as anticonvulsants in epileptic psychoses .....	382
Report on 441 cases treated with metrazol .....	527
Research and teaching functions of the New York State Psychiatric Institute and Hospital for the ten-year period 1930-1940, a brief review of the .....	360
Response of various types of epilepsy to dilantin therapy, the .....	612
Rôle of allergy in neuropsychiatry, the .....	800
Rorschach interpretation of the personality structure of schizophrenics who benefit from insulin therapy .....	826
 Schizophrenia, biochemical studies of: the chlorides in blood plasma and red blood cells .....	834
Schizophrenia, a simple experimental device for the prediction of outcome of insulin treatment in .....	267
Schizophrenia, the treatment of, by nitrogen inhalation, preliminary report on the results of .....	496
Schizophrenic "deterioration" .....	140
Schizophrenics, insulin-treated, psychometric study of .....	466
Schizophrenics, recovered, types and analyses of the clinical pictures of .....	676
Schizophrenics who benefit from insulin therapy, Rorschach interpretation of the personality structure of .....	826
Sclerosis, amyotrophic lateral, with psychosis .....	818

	PAGE
Sclerosis, coronary, psychosomatic pathology in .....	513
Sedatives, hypnotics and, the aggravation of mental symptoms by excessive use of .....	121
Senile psychoses, ideas of neglect and hoarding in the .....	285
Severe physical disorders, metrazol therapy in the face of .....	388
Sexual manifestations in neurotic and psychotic symptoms .....	9
Shock therapy, metrazol, injuries sustained during the course of....	128
Shock therapy of the psychoses, transient organic mental reactions during .....	457
Significant factors in the readjustment of women patients with mascu- line tendencies .....	504
Simple experimental device for the prediction of outcome of insulin treatment in schizophrenia, a .....	267
Situs inversus, total, personalities of individuals with .....	518
Six cases of psychosis with illuminating gas poisoning .....	61
Sodium bromide, relative effects of phenobarbital and, as anticonvul- sants in epileptic psychoses .....	382
Sodium diphenyl hydantoinate, the treatment of epilepsy with.....	603
Sodium diphenyl hydantoinate: See also dilantin	
Somatic disease, intercurrent, the effect of treatment of, on psycho- genic disorders .....	547
Somatopsychics, psychosomatics and .....	665
Some implications of psychotic states .....	770
Some observations on treatment of institutional epileptics with di- lantin .....	595
Specific therapy for the pneumococcal pneumonias, rationale of ....	568
State hospital, the injection treatment of varicose veins in a .....	307
Stomatitis, ulceromembranous, psychosomatic relationships in .....	632
Sudden and premature graying of hair, the psychology of .....	786
Suicide as wish-fulfillment .....	30
 Taddiken, Paul Gerald .....	 224
Testosterone in psychotic male homosexuals .....	319
Theelin: See folliculin menformon	
Therapeutic considerations in psychoses of old age .....	274
Therapeutic problems in the alcoholic psychoses .....	347

	PAGE
Therapy, electric convulsion, in mental disorders .....	719
Therapy, group .....	708
Therapy, insulin, Rorschach interpretation of the personality structure of schizophrenics who benefit from .....	826
Therapy, malaria, for the nonhospitalized case of neurosyphilis.....	135
Therapy, metrazol, in the face of severe physical disorders .....	388
Therapy, metrazol shock, injuries sustained during the course of....	128
Therapy of the psychoses, shock, transient organic mental reactions during .....	457
Therapy for the pneumococcal pneumonias, specific, rationale of....	568
Thirty years of alcoholic mental disease in New York State .....	750
Total situs inversus, personalities of individuals with .....	518
Transient organic mental reactions during shock therapy of the psychoses: a clinical study .....	457
Treating psychopaths, the problem of .....	248
Treatment, injection, of varicose veins, in a State hospital.....	307
Treatment, insulin, in schizophrenia, a simple experimental device for the prediction of outcome of .....	267
Treatment of epilepsy with sodium diphenyl hydantoinate, the .....	603
Treatment of institutional epileptics with dilantin, some observations on .....	595
Treatment of intercurrent somatic disease, the effect of, on psychogenic disorders .....	547
Treatment of schizophrenia by nitrogen inhalation, preliminary report on the results of the .....	496
Types and analyses of the clinical pictures of recovered schizophrenics	676
Ulceromembranous stomatitis, psychosomatic relationships in.....	632
Varicose veins in a State hospital, the injection treatment of .....	307
Vertebrae, the force required to crush: its probable relation to the postmetrazol fracture .....	397
Wish-fulfillment, suicide as .....	30
Wit and humor in normal and psychopathic states, the mechanisms of	731
Witzel, August E. ....	861

## BOOK REVIEWS LISTED BY AUTHORS
